About This Game

Build things in the wild using no modern tools or materials.

Your main rules are:

- need a fire - use a flint,
- want cut a tree - build an axe from a stone and a branch,
- need a shelter - collect materials like wood, clay and others,
- want an iron weapon - build a furnace.

Imagine that you don't have any modern technology. Use your mind to build from scratch your first primitive tools and constructions.
